

# Plant Swap

May 20th 9-11am  
at the Dilts Park Pavilion

17 Buchanan Road, Stockton, NJ

Free and open to the public.

Come and share your plant abundance with community members. Bring your healthy houseplants, annuals, perennials, bulbs, seeds, and edible plants. For each plant you bring, you take home a new plant. Label every pot or plant clearly with common or botanical name, including instructions if necessary.

Don't have a plant to swap? Join us anyway and meet your gardening neighbors!

*Event sponsored by the Delaware Township Recreation Commission.*
