PUBLIC COMMENT

Several residents from Rosemont were present tonight. They have concerns about the 4 new apartments/office space going into the old Rosemont Café and barn on this property. That will make it a total of 8 apartments. The residents wanted to make sure this Board knew about the new apartments and the effect they might have on the current septic system. They are also concerned about increased traffic and parking.

Rosemarie Brenner mentioned the water run off onto the sidewalks.

Therese Kell is concerned about the septic system with all these new apartments.

Joann Vieth mentioned the water flooding her front yard. She has lived there 45 years and it hasn't been a problem until now.

Pete Sudano said he has been to the Board of Adjustment meetings. Susan Miller asked if they are adding washing machines in these apartments. Mrs. Vieth believes there are new hook ups.

Katie asked if the Board of Adjustment already approved these new apartments. They have not yet been approved and the Board of Adjustment meets again on June 13th.

Ken Vieth thanked the board for listening to their concerns and asked if they would contact the Board of Adjustment regarding the septic system. Mr. Textores will contact their board secretary.

COMMENTS OF BOARD MEMBERS

Mrs. Miller said she attended the meeting at the county regarding the measles outbreak. She is part of the MRC.

Mrs. Gooding reminded the board that there is no July meeting.

ADJOURNMENT

Members moved, seconded and unanimously approved a motion to adjourn the meeting at 8:30 p.m.
