Recent Initiatives

DTHAC Mission Statement - update - Some of the wording was slightly changed; seems like it will be approved. The next Township meeting will be May 9, with the possible approval.

Ongoing Topics

- Holcombe House -
- Saxtonville Tavern - Discussed more possible districts, after our mission statement is approved. Marilyn Cummings did a presentation about the Holcomb House, and we would like to be included next time. Also, discussed the transfer of easement and paying the Heritage Foundation. Chuck will discuss it with Roger, and asked the HAC to request that the TC begin the process.
- Reading School - The interior work is ongoing, molding is being added. Branches on the ground, a cleanup day is needed. Some desks have been donated. A Lease agreement is required along with a report. A walk and talk has been organized by the Hunterdon Historical Society.
- Locktown Stone Church - The friends of Locktown Church are having an open house and tour to start the capital campaign to fund the building of a building that looks like a horse shed to accommodate bathrooms, a kitchen and meeting rooms.
- County Eng. - Bob will ask the Co Engineer for updates on the covered bridge and Worman Rd.
- Township sign update - Nancy: I will deliver it back to Chuck, who will do basic restoration work. I will contact the sign maker and ask for a letter to be sent to the township with the price to have the gold lettering repaired.
- Painting frame repainting update
- Informative brochure - (after mission statement)
