- Township sign update - Chuck Taylor brought in the "Delaware Township" sign that he has been refinishing. It is so well done and will now go for the gold leaf. The suggestion was made to add this information to an information marker on the wall next to the sign. [Must confirm language before committing].

New Business

- NJDOT Alexauken Creek Road project - NJDOT has proposed to resurface Rt 29 from Alexauken Creek Road north to Frenchtown. This is a federal project to improve drainage, and the DTHAC should be included as a consulting party for the historic preservation review process. A request has been made for a quick response. We will include the historic properties along the route, including a letter, response and maps. Liza will send to each member and forward our letter.

Adjournment at 7:55pm
