**Ongoing Topics**

● **Historic properties:**

- Holcombe House - Kitchen is in the place we observed as a glass patio.
- Saxtonville Tavern - no change
- Reading School - Two carpenters have withdrawn from working on the building. There is missing trim to match that was removed when the building was remodeled. Bernie Miller can reproduce the wood trim. **We discussed the possibility of a holiday open house at the Reading School.**
- Locktown Stone Church - fundraising is ongoing; concerts are being held again
- Historic Cemeteries - no change, ongoing Hunterdon County HS project

- **County Engineering** - Bob has been in touch with the engineer, concerning the bridges. We have invited the engineer to come to a meeting. Hamp Road bridge: Chuck has a West Amwell neighbor who reports that the road approach washed away with Hurricane Ida. Money has been raised to refurbish the bridge. FEMA money will be approved for repairs. Other bridge repairs are under approval by SHIPO. The township committee should be invited to enter the repair discussion.

- **Township sign update** - The sign is upstairs in the conference room, waiting to be hung
- **NJDOT Rt 29 Alexauken Creek Rd project** - no change
- **Informative brochure/webpage info.** - 2023 goal
- **GTG Builders** - DTHAC members are planning on attending the next meeting.

**New Business** Member Alan Johnson had suggested we consider asking the Township Committee for a budget, but in his absence, no further discussion ensued. We can carry this over to next year.
