TOWNSHIP COMMITTEE REPORTS

DPW

Mr. Kwasnik reported that the DPW is currently working on preparation for road and maintenance projects.

IT Sub-Committee

Mr. Waltman stated some of the Committees/Commission members that are listed on the website are in need of updating.

Mrs. McKinney has sent the new 2019 list over to Trinity and she will follow up on the status of this update.

Mrs. Lockwood would like to have the word “posted” placed next to the posting date for news and announcements so that this does not get confused with the actual dates of the events. Mrs. Lockwood discussed the lack of advertisement of the Recreation events on the website.

Mrs. McKinney stated that Trinity is currently working with the Recreation Commission on creating their section on the website. Mrs. McKinney stated that this new section will have their event information included.

Mr. Waltman will discuss these changes with Trinity and have them update the posted date. Mr. Waltman will report back on the status of the new section on the website for the Recreation Commission.

Police Department

Mrs. Lockwood discussed with Chief Cane the issue of trash being left behind by the Special Event participants. A resident suggested a trash removal deposit be taken at the time the application is submitted.

Ms. McDaniel stated this is not a legal option and the best way to solve this issue is to create an event fee that will help cover the cost if trash is left behind from a Special Event. Ms. McDaniel will research this process and report back to the Township Committee.
