SUMMER RECREATION PROGRAM

Due to proposed repairs and renovations at Delaware Township School, the Summer Recreation Program will run this year for two weeks from June 22 to July 3. Members discussed compensation for Summer Recreation Program Director Maegan Harrington. They agreed that her duties remain essentially the same despite the shorter Program length. Judy moved to compensate Maegan at the same full rate as in 2019, Tim seconded the motion, and members unanimously approved the motion. Other salaried staff members will receive two weeks of pay, prorated from the 2019 rates. Hourly staffers will receive the same hourly rates as in 2019.

Members reviewed the proposed registration prepared by Maegan. Judy moved to approve the registration form, the fees it lists – the same as in 2019, and the Program dates of June 22 through July 3. Tim seconded the motion, and members unanimously approved the motion.

Members discussed how the timing of this year's Program, that will begin as soon as the school year ends, may result in a reduced number of registrants due to planned vacations. Registration receipts may decrease. Additional funds from the Commission's budget may be needed.

There were some concerns about possibly asking the same generous supporters of the Great Crate Race to support another event. Steve wondered whether there could be a Community sponsorship program that would support various activities. After discussion, members agreed that Tim could solicit new sponsors, possibly vendors at the upcoming Fishing Flea Market at the Sergeantsville Volunteer Fire Company.
