

March 6, 2023 DT Recreation Commission Minutes;

Called to order 7:12 pm by Steve Smotrich

Present; Jes Stahl, Linda Urby, Tim Soltis, Erin Buchannan

Guests from East Amwell Township Recreation; Nathalie Nelson, Stefanie Hutchins

Public Guest; Dianna Garibaldi

Jes discussed possible synergy between both townships, possibly yard sale, senior events, and senior activities at the HC Library.

Question came up about the status of a possible hire for our p/t secretary. Still need to send list of proposed duties to Monica/TC.

Steve mentioned Brian submitted our \$50k budget request to the TC. Seth wanted to confirm we included the \$5k to DTAA in this, which we did.

Steve mentioned possible vehicle to be formed for directed contributions for memorials, honorariums, capital improvements, etc. And also possible tax exempt status for these contributions..

Linda will go to a senior meeting to gauge interest in rec events

Jes reported DTS roof repair is under budget

DTAA opening day is 4/1, same day as Easter egg hunt, and equipment t swap. 5/19 is trivia day at winery. 6/17 is closing ceremony. There is no bond for soccer just baseball

Question about who will be running the yard sales (first one on 5/20)

6/17 Patriots game. Need to coordinate with Joe Benincasa (possible include East Amwell who also do a couple of nights there?)

Dianna Garibaldi questioned if the location of the fireworks at Dilts could be moved to a different location at Dilts. We explained one significant issue is the scattering of debris and trying to keep it away from the surrounding hay fields, etc.

8:45 Jes moved to adjourn, Erin seconded the motion.
